

ST. ANNE'S EPISCOPAL SCHOOL

AFFINITY GROUPS

Affinity groups at St. Anne's provide an opportunity for students and parents with similar backgrounds and experiences to gather in a safe space where they can share pieces of their backgrounds and build common connections in their community. We hope that these opportunities help individuals to gain a deeper understanding of their own and others' stories. Our intent is to provide a safe forum for meaningful and personal dialogue that strengthens a sense of belonging in our community as well as ownership and pride regarding one's own identity.

PARENTS OF STUDENTS OF COLOR

PARENTS OF STUDENTS WITH LEARNING DIFFERENCES

We are a group dedicated to providing education, support, and voice for families of students with a learning difference at St. Anne's. We support families based on our personal journeys, research and experience.

STUDENTS OF COLOR

(Middle School students only)

Chairs: Kendall Early & Ana Dodson

We are a group for students of color that serves as a way to openly engage in dialogues around what it is like to be a student of color (in the community and at St. Anne's). This group serves to bring together individuals with similar multicultural life experiences to connect, reflect, and share.
